

George Franzen

Dear George,

This letter is just to let you know what a phenomenal show you put on for my daughter Jana's 6th birthday party. I feel this was the perfect age for a magician and you really pleased all, from the children, to your comedy with the adults.

My daughter Jana is still raving about how she held the bird and the bunny! We have since seen you perform three additional times and it seems that each time we see your show, it is like the first time.

You should really be proud of yourself because it is very hard to find a reputable, kind professional these days and you would fit those categories!

I will definitely recommend you to anyone we know. Thank you again for making the day so special.

Sincerely,

A handwritten signature in cursive script that reads "Carolyn Schwerdtfeger". The signature is written in black ink and is positioned above the printed name.
