Mr. George Franzen

Dear George,

Thank you for helping to make our employee Christmas party a great success. The kids, and their parents, thought you were terrific. The way that you drew all of them into your act made each one feel special. My son is still talking about your magic rabbit!

Planning a party for a diverse group of people is a stressful chore. Booking an act you haven't had first hand experience with is risky, but we won with you. Your hour-long show was entertaining for everyone. Please feel free to use my name as a reference.

Sincerely,

Michael Mullaney
