Mr. George Franzen  
George Franzen Magic & Comedy

Dear Mr. Franzen:

It was my pleasure to welcome you back to the middle school for your third annual performance of the Franzen Magic Show. This annual holiday event provided for our sixth grade students is one that we always anticipate.

I appreciate that you spend the time necessary to focus the show on the grade level for which you will be performing. Our 6<sup>th</sup> Graders are drawn in by not only your magic and use of props, but also the time that you take to help them understand how magic works and how much fun it can be for them to become involved in magic.

I hope that other schools take an opportunity to look at your program and talk to you about what Franzen Magic can offer to them.

Looking forward to seeing you next year.

Sincerely

PAUL M. LENCI  
Assistant Principal
