Mr. George Franzen
The Magic of George Franzen

Dear George,

I can not thank you enough for your spectacular performance at the Club Monday evening. You helped to make our Grand Opening celebration a complete success.

During the course of the event, I was approached by many of the Club's members who commented on your delightful performance. There wasn't a face in the crowd that did not wear a smile. I too, was mystified at your "magic".

Once again, thank you so much for all your help and expertise. You were a hit!

Sincerely,

Nancy C. Amendola
